The Golden Brick Award gives recognition to outstanding contributions to Downtown that demonstrate excellence and achievement. These unique awards have been a Downtown tradition for more than two decades.

It is possible that a project may fall under multiple award categories, and you are encouraged to mark all categories that apply (so you may be considered in each). However, a project is only eligible to win in one category. The committee reserves the right to consider and/or award your project in other categories it deems more appropriate.

An entry fee of \$100 is required to apply for the Golden Brick Awards.
